

Perceived Realities

March 15 - May 11, 2008

Premiere Party - Friday, March 14, 2008 - 6-8pm

Artists Kathleen Jardine, Margarita Leon, Eric Ton, and Leland Wallin exhibit layered surfaces with layered meanings. The rich color palette of these works is lighthearted and whimsical yet commands serious interpretation. Objects are wrapped in pattern, textures, shapes, and motifs suggesting a symbolically rich narrative. The use of juxtaposed objects and manipulated perspectives will redefine your discernment of reality. The Fayetteville Museum of Art invites you to explore your perception of reality.

Premiere Party: Friday, March 14, 2008, 6- 8pm: Join us for the opening reception. Enjoy light hors d'oeuvres, beer, wine and beverages. Live Musical Entertainment provided by The Never from Chapel Hill-- Indie / French Pop / Classical - they have a very strong 3-piece acoustic version, with acoustic guitar, mild percussion and 3-part harmony.
